Since **The Cellar Door** hit the Manitoba market in 2008, over a dozen locally published magazines have left the market. As other magazine models have faltered, we have **grown our distribution reach from 54,000 per year to 75,000 per year**. We build new advertising partnerships each issue, and have a **high retention rate** among our long-time advertisers. Jones & Company customers routinely bring issues of the magazine into the store as a shopping guide, demonstrating both their trust in the brand and the magazine's longevity in their homes.

In addition to print distribution, **The Cellar Door magazine can be downloaded or viewed online** at: Poise Publications Inc. website, the Jones & Co website, and ISSUU digital newsstand, where the October 2022 issue received over 4,000 impressions in its first month of publication.

Distribution: 25,000 per issue

The success of our distribution strategy lies in its three-prong approach.

- 1. Direct Mail:** 10,000 copies of each issue are mailed directly to Jones & Company's top-spending customers—proven buyers of luxury products.

DIRECT MAIL BY WINNIPEG QUADRANT

- Northwest
- Northeast
- Southwest
- Southeast
- Outside Winnipeg

- 2. Postal code drop:** 14,000 copies are distributed each issue to a targeted postal code or subdivision within a postal code. These postal code drops are moved around the city each issue in order to fill in gaps in affluent areas in the city that are not covered by the direct mailout (direct mail addresses are cross-checked to avoid duplication). Below is a list of the areas covered by the postal code drops. These are broken down by issue in the pie charts to the right.
